Meeting Minutes August 26, 2020

Our August meeting was held using the Zoom video conferencing application. 23 members and one guest participated.

At 6:37 P.M. Pat Bunsold, WA6MHZ, called the meeting to order.

Our guest was Dennis Younker, NE6I, the first guest we have had on the Zoom format.

Pat reviewed the current slate of club officers and the membership voted and approved them. They are:

President: Pat Bunsold, WA6MHZ; Vice President: Eric Gruff, NC6K; Secretary/Treasurer: Randy Standke, KQ6RS; Board of Directors: Lou Poanessa, KW6Q; Board of Directors: Bob LaRose, W6ACU; Board of Directors: (one vacancy, no one volunteered); Past President: Ron Rosson, N6XT.

New business: Gayle Olson, K6GO, presented a list of suggestions for presenters for future club Zoom meetings. Adding presentations will make future meetings more interesting and hopefully increase attendance.

At 6:58 P.M. we started the roundtable.

The next meeting will be held on September 23rd at 6:30 P.M..

At 7:58 P.M. the meeting was adjourned.

2019 produced another great turnout for the CQP. SDDXC club stations won two more first place plaques. The K6QK memorial team drops onto 2nd in the M/S category this year behind N5ZO operating as NT6Q. When N6AN dropped out at the last minute, Marko was left as the only op, but still entered as M/S to try to break the record he set the year before.

Axel, KI6RRN moved on up to the WA6TQT super station in Anza where he almost couldn't help taking first place in single op overall. Incidentally, Axel currently has a *perfect* (highest possible point total ***in the world***) qualifying score for WRTC. Fine Job!

The CQP marks the beginning of the fall contest season. The 2020 running is slated for 1600 UTC Oct 3 to 2200 UTC Oct 4. Go to cqpc.org for details on the new rules, county abbreviations and all the other details. Last year's top scorers from our club are already putting the finishing touches on their plans for this year's run.

Operators in Rare Locations

(as of September 2020)

- Akio Taguchi, JE2QIZ, was in Myanmar (XZ) until March when he went back to Japan due to the COVID-19 pandemic. He will return to XZ2B when things settle down.
- Aboobacker Kunhi Badayi, VU3EBX, is the only licensed ham in the Lakshadweep Islands (VU7). However, as of early this year, he only had a VHF transceiver. His license allows 50 W on the HF bands.
- Warwick Latham, E51WL, is currently stranded in New Zealand to go back home to Penrhyn Atoll, North Cook Islands (E5/N).
- Satoshi Tawamura, JH2EUV, was in East Timor (4W) up until early March and active as 4W/JH2EUV. He may have gone back to Japan.
- There are two licensed nationals in Tuvalu (T2) – Atufenua Maui, T2AM, and Apinelu Tili, T2AT – but neither has been reported as active in over a year.
- Don't despair! There is plenty of chattering on the bands saying that previously-postponed DXpeditions are gearing up for a run to exotic locations as soon as the pandemic is brought under control.
- DX IS!
